

Insurance for your lifestyle

PRIVATE CLIENT GROUP

Introducing insurance that can keep up with your success

Through our Private Client Group, Chartis offers a level of innovation and personalization unmatched in the insurance industry. We provide the coverage necessary to preserve your assets and personal liability. Your protection also can be augmented with services to minimize property damage and bolster your family's safety. And all of this comes in one package, tailored to your needs.

We understand what it takes to be successful. We manage your risk so you can focus on your life.

Insurance for your world

With Private Client Group, you have access to a wide array of competitively priced products captured on a single bill. You can further control costs through high deductible options and meaningful premium credits. Our policies complement one another, helping eliminate gaps or overlaps in coverage. Look to us to safeguard all that you hold dear.¹

For your home

Rely on sound protection from a broad array of circumstances, including industry-leading coverage for water damage. If a total loss occurs, we often can pay to rebuild your home to match its exceptional quality, even if doing so costs more than the policy limit. Supplemental coverage options allow your policy to reflect what matters to you.

For your liability

You don't have to be a billionaire to be sued like one. Our personal excess liability insurance offers broad, worldwide protection and features up to \$100 million in coverage. You also have the freedom to choose legal representation from a national panel of leading defense specialists; most insurers leave you out of this process entirely.

For your collections

Whatever you collect—fine art, jewelry, wine, antiques, memorabilia or other precious items—we provide precise protection from fire, theft, flooding, natural disasters and breakage. Worldwide coverage allows you to transport pieces and acquire new items abroad without concern.

On the road

Insure all of your vehicles on one policy at an affordable rate. We provide for repairs with original manufacturers' parts, choice of repair shop and the ability to rent a comparable vehicle while yours is being repaired or replaced. Additional features include high deductible options, agreed value provisions and generous coverage for newly acquired vehicles.

In the water

We offer comprehensive insurance for a wide range of vessels, from small boats to super yachts. Our size and strength enable us to offer high limits of property and liability coverage, and our in-house yacht specialists can ensure you've got the best possible protection.

And beyond...

Additional solutions are available for insurance needs related to domestic staff, family offices, international travel and more.

We'll be there for you

If you have a claim, Private Client Group provides swift, personal attention and real solutions. With our extraordinarily flexible service, you can choose your own contractors or repair specialists—or, in some cases, request a cash settlement with no obligation to repair or replace lost or damaged property. You also can tap into our vast network of pre-screened repair professionals. If an item is lost or stolen, we make every effort to recover it.

We strive to exceed expectations, and we are proud of the fact that policyholders responding to our claims satisfaction surveys overwhelmingly rate our service as “exceptional.”

“ We made the switch to Chartis and couldn't be more pleased. Our agent handled everything and made the transition seamless, which was one of my biggest concerns. We had been with our previous agent for over 12 years and I guess you can get complacent about your coverage. As a result of changing to Chartis, we received significantly better coverage at a reduced rate. What could be better than that?”
